New Museum Exhibits

The Jamestown Historical Society has loaned us the plaque that was mounted on a stone column near the original Beavertail Lighthouse foundation. In 1991, Hurricane Bob toppled the column and damaged the plaque, which has been repaired The plaque is housed in a sturdy frame specially built for that purpose and donated by Jack Willis of North Kingstown.

Another new addition is an interpretive panel which outlines the history of the Beavertail Lighthouses. It is located in front of the museum. This panel has been generously donated by Marilyn Mattera in memory of her husband, Donald Mattera.

BLMA volunteers will be offering various Beavertail Lighthouse merchandise for sale, including all the new items listed later in this newsletter, at the June 29 Ferry Days Celebration from 10 am to 4 pm. COME VISIT OUR TABLE.
